

English Language, Diction & Communication Skills

For primary, secondary, and adult learners

Course Provider: Ebubechukwu Victoria, Founder, [Identity Advocate Teacher Pro Max](#).

Course Description

This course is a comprehensive English Language programme designed to develop grammar accuracy, vocabulary strength, reading, writing, listening, speaking, and diction skills across different learner levels.

It prepares learners for Common Entrance, WAEC, JAMB, IGCSE, and IELTS, while also building clear pronunciation, confident speech, and effective communication for academic and real-life contexts.

The course is structured to support young learners (Primary) through adolescents and adults, using age-appropriate methods and progressive difficulty levels.

Target Audience

This course is tailored for:

- Primary school pupils (Upper Primary)
- Secondary school students
- School leavers
- Undergraduates and professionals
- ESL / EFL learners
- Exam candidates (Common Entrance, WAEC, JAMB, IGCSE, IELTS).

Course Structure

The course is divided into three distinct tracks, each catering to a specific learning level and age group:

1. **Foundation Track:** Designed for primary school students, focusing on basic grammar, vocabulary, and pronunciation.

2. **Academic Track:** Geared towards secondary school students, emphasizing academic writing, comprehension, and presentation skills.
3. **Proficiency Track:** Tailored for adult learners, focusing on professional communication, public speaking, and advanced English usage.

Learning Outcomes

Upon completion of this course, participants will be able to:

- Speak English clearly with correct pronunciation and diction
- Use grammar accurately in speech and writing
- Read, understand, and interpret texts confidently
- Write well-structured answers, essays, and reports
- Listen effectively and respond appropriately
- Perform better in English Language examinations
- Communicate confidently in academic and professional environments.
